Chief Superintendent September Message

BIENVENUE

The mission of Bishop Savaryn School is to provide a Catholic education that empowers students to achieve their full potential as they journey toward becoming faith-filled, ethical, global citizens.

Bienvenue à l'année scolaire 2025-2026!

Dear École Bishop Savaryn Families,

We are delighted to welcome you to the start of a new and exciting school year at École Bishop Savaryn. As we open our doors this September, our hearts are filled with hope, joy, and enthusiasm for the learning journey ahead.

At our school, we are deeply committed to fostering a vibrant and inclusive learning environment where each student can thrive academically, socially, and emotionally. This year, we look forward to celebrating growth, achievement, and the many milestones that will shape your child's educational experience.

We are proud to offer a rich French Immersion program, providing students with the opportunity to broaden their horizons through bilingual learning. The cognitive, cultural, and career benefits of acquiring an additional language are far-reaching, and we are excited to help your child unlock these advantages.

We're looking forward to a wonderful year of collaboration, celebration, and success!

A special welcome to all the new families and staff members who are joining our community this year.

Passez un bon mois de septembre,

Transportation

Transportation Services offers detailed information for parents who want to know more about their child's bus route such as up-to-date bus information and delays. Click the following link to access their site: [ECSD Transportation](#) Webpage.

Check the Yellow Bus Delay Board button for current bus delays. You will need your child's bus number.

No personal information is stored on the bus pass itself, as the card cannot hold any data. The process is quick and easy and allows our transportation staff to identify whether a student is on the bus, missed the bus, or got off at the wrong stop. It is important for students always carry their bus passes and scan on and off every time they enter and exit the bus. Your child will receive one bus pass that will be used for the entire school year, replacing the monthly pass. RFID bus passes are not applicable to Kindergarten Noon Hour and Curb Services Routes.

The website has more information about the new Bus Pass Scanner System and a video explaining the process.

Please, never park and get out of your car in this lane. If you need to park your vehicle, before or after school, please use the 30-minute drop-off zone on Beaumaris Road or park in the residential areas around the school.

There is NO PARKING in front of the school or near the crosswalk. Please help us to keep our families safe and pedestrians safe! STUDENTS MUST USE THE CROSSWALK on Beaumaris Rd and 109 Street.

Let's be good role models for our children.

Safety comes first!

School Messenger

Reporting Student Absences

Edmonton Catholic Schools is using a new school notification system called SchoolMessenger to keep in contact with our families. This system allows the Division and our schools to send important messages quickly.

You have received a text message that says, “You’re registered 4 SchoolMessenger.” This means you will start receiving text messages from your school and our Division. If you want to change how you get these messages, you can contact your school, and they can update your contact information.

Reporting Student Absences

The SchoolMessenger app includes a new system for reporting your child’s absences called SafeArrival.

SafeArrival is a more efficient way to report student absences. It allows you to report an absence in advance, 24 hours a day, 7 days a week and helps us reduce the time it takes to confirm your child’s attendance.

You can report these absences through the mobile app, website, or telephone. You are also still welcome to call your school directly.

Download SafeArrival

To learn how to use the SafeArrival automated system through SchoolMessenger, please visit ecsd.net/reportingabsences. There, you will find step-by-step instructions and a video on downloading and using the app. To ensure easy account setup, please use the same email address and phone number you use for PowerSchool.

The SafeArrival system will also be able to notify you quickly in the event of an unexpected absence. This will also be done by email, text, or phone call, and the system will continue to contact you until the absence is explained.

We hope this new system will enhance our communication with you and improve the efficiency of our attendance processes. Thank you for your continued partnership as we strive to provide your child with the best possible Catholic education.

Did you know....Indigenous Trivia Tips

TRIVIA TIP: LACROSSE

Did you know, Indigenous Peoples invented the sport of lacrosse?

Invented by Haudenosaunee, or Iroquois people, in what now is New York and areas in Canada bordering the state. Lacrosse was a tool to resolve wars, heal sick people, develop endurance and strength of the male population. It was originally known as 'stickball'. The game was initially played in the St. Lawrence Valley area by the Algonquian tribe and they were followed by other tribes in the eastern half of North America, and around the western Great Lakes.
